

## **Victoria Blade - Bio:**

Victoria is currently featured in ***WandaVision***, starring as the woman in the mysterious, in-episode commercials. She also appears in the IFC comedy ***Brockmire*** as the virtual assistant Limòn, who comes to life and attempts world-domination in the final episode. Other recent credits include ***The Outsider***, ***Doom Patrol***, ***Watchmen***, and ***Antebellum***.

Victoria grew up in Michigan pursuing acting from an early age. She got her start in the Chicago theatre scene, landing her first acting gig at the world renowned ***Steppenwolf Theatre***. After working extensively in Chicago and NYC, Victoria moved to Atlanta to focus exclusively on TV/Film where she's been working non-stop.

Victoria wrote/directed and starred in the short comedy [\*\*\*Alien Baby\*\*\*](#), which completed an award-winning festival tour and was featured on Funny or Die's "Best of the Web".

She loves spending time with her college-sweetheart-turned-husband, writing music, being outside and quietly fan-girling over every dog she ever sees.
